Formats Built for Every Event

Choose the session length and structure that fits your program. Each format is designed to deliver actionable insights and can be customized to your strategic priorities, industry focus, and audience needs.

	Keynote Presentation 60–120 minutes High-energy keynote with optional interactive workshop featuring Silicon Valley Innovation plays.
	Half-Day Immersion 4 hours Two company visits or two executive briefings. Can be paired with a facilitated working lab. Perfect for focused themes like AI strategy, innovation governance, or women's leadership in tech.
	One-Day Immersion Full day experience Morning features curated briefings with company visits, followed by afternoon working lab to translate insights into next-quarter initiatives with clear owners and timelines. Customizable toward your business needs and interests
	Multiple Days Immersion Standalone or integrated Deep-dive program including company visits, startup roundtables, expert workshops, and strategic roadmap design. Ideal as a pre-board tour or post-off-site accelerator.
	Virtual Sprint 4–6 weeks Weekly 2-hour remote sessions to implement and track the strategic wins identified at your off-site or conference. Ensures momentum beyond the event.
